## Arty Party

Let Wondertree Kids create a fabulous Arty Party for your child's next birthday celebration. This party, appropriate for children ages 3 to 6, will bring out your child's inner Picasso. The children will customize an apron that they can use and take home as a souvenir and participate in different interactive art stations where they can create memorable pieces of art! Let us clean up the mess while your child gets to explore, imagine and celebrate with art!

## Music & Movement

This is our signature birthday party option for children turning 2 or older. The birthday celebration starts with open play stations, (arts & crafts, pretend play, chalkboard, and more), followed by a fun-filled music & movement with scarves, parachute, ball play and games! Parental involvement is required for children under age 3.

## Slime Party

Our Slime Parties are great for children ages 5-10 who love to make messes all while having fun at the same time! At this party, your child and their friends will learn how to make their very own slime that they can take home with the help of our birthday party specialist. All of the fun and mess with no clean up, what else could a parent ask for?

## Dance or Rock Star Party

Appropriate for boys or girls ages 3 to 6. Kids love to sing and dance and this celebration lets your child party like a Rock Star! Experience exciting play stations, including (hair spray station & rock star craft activity that will bring out the rock star in everyone.
