- Less is more- our space is already colorful, fun and party ready. There is no need to plan for extra décor.
- Do not arrive more than 30 minutes early. Before that time staff is working on our set-up. We like to be completely finished when you get there so that we can assist you fully!
- For easy excess you can unload and load in the back, just let us know that is what you would like to do so that we can open the door for you.
- Encourage your guests to arrive on-time as not to miss any of the festivities.
 - On your invitation, we suggest letting them know when the activity will start, so they plan to be here a few minutes before that.
